## CABIN

*A sensation of space for passengers*

# CABIN

## *Wider Aisle*

The SSJ100 has the widest aisle in its class, speeding up boarding and deplaning.

The cabin crew can move easily through the cabin, with space to spare for passengers to pass by.

## CABIN

### *First five-seat abreast*

The SSJ100 is the first aircraft in its class with five-abreast seating, a configuration that offers more cabin space than any of its competitors. No matter where they sit – even in the middle seat – all passengers enjoy spacious accommodation.

# CABIN

*2+ m high cabin*

At over 2 meters high, the cabin of the SSJ100 has more headroom than any of its rivals, adding to the feeling of spaciousness and allowing even the tallest passengers to move around with ease.

## CABIN

*Easy access to overheads*

The SSJ100 offers more overhead baggage space per passenger than competing aircraft.

The generous lockers are easily accessible – a useful feature if the operating environment prioritizes carry-on luggage, as this facilitates a swift turnaround.

# CABIN

## *LED lighting*

Cabin ambience is further enhanced by a state-of-the-art LED lighting system, offering independently dimmable zones and color-changing mood lighting (optional). This lighting is not only stylish, but requires little maintenance and is highly energy efficient.
