

**SUKOI SJ100**  
**THE EVOLUTION OF FLIGHT**

**FLIGHT DECK**

A detailed view of a modern aircraft's flight deck. The central focus is on two black sidesticks, each with a 'A/T DISC' label at the top. The cockpit is illuminated with a mix of blue and orange light. In the background, several large displays show various flight data, including circular gauges and numerical readouts. The overall atmosphere is high-tech and professional.
